

2004 BTRDA RALLY CHAMPIONS

2004 was another successful Championship year thanks to the record numbers of registered competitors who provided us with such a competitive season. We are pleased to recognise our 2004 Championship winning crews: -

The **Dunlop Gold Star Champions** are **Graham Middleton** and **John Morgan** [Hyundai Accent WRC] who's consistently quick performances during the first part of the year deservedly won them the title by the Quinton Stages Rally in July. The Championship Runners Up spot was a closer contest with 2002 Rally Champion **John Perrott** finally taking Second Overall with his win on the Cambrian Rally, ahead of **Shaun Gardener** and **Theo Bengry**.

The Product Cup for Group N cars was won by a very competitive **Wayne Sisson** and **Alan Whittaker** [Mitsubishi Evo 7] who achieved five maximum scores and were the equal of many much more powerful cars on several events.

The 2004 **DUNLOP Silver Star Champions** are **Phil and Michael Squires** who finally achieved their long held ambition of winning a BTRDA title in their two-wheel drive Ford Escort Mk2, after with a season long battle with **Robin Bradbury & Paul Wakely**. The Silver Star Championship is the place for two-wheel drive rally competition in the UK and over 30 cars started every round of the championship.

The **Silkolene 1400 Championship** again provided a closely fought battle with **Ian Evans** and **Justin Brooks** [Suzuki Ignis] taking the Silkolene 1400 titles. **James Wozencroft** [Vauxhall Nova] finished the Drivers Championship on equal points with Ian after his win on the final round, but lost out on the tie break. The performances of Ian and James plus **Neil Weaver** and **Malcolm Hague** all contributed to a very competitive Championship.

The three car 'Heavens Above' team comprising Brian Bell, Phil Squires and Ian Evans won the HOLPAK PACKAGED PUMP SETS Team Challenge.

There were 445 registered competitors contesting the 2004 BTRDA Rally Championship
