FOREWORD

We would like to thank all the competitors and event organisers for their enthusiastic support of the BTRDA Rally Series in 2017 and congratulate all our Champions and award winners.

Our sport continues to face many challenges and it is testament to our event organisers that they have risen to the challenge. We are fortunate that for many years the BTRDA Rally Series has been the most popular rally championship in the UK and we hope that will continue for the foreseeable future.

We would like to thank Ravenol UK and Thomas Panels for their support of the BTRDA Rally Series over the last three years.

We welcome Barry Jordan and **Jordan Road Surfacing Ltd** as our new title sponsor. Barry is well known as an experienced rally competitor and his sponsorship of the Championship is warmly received. We are exceedingly pleased that our current sponsors **MAXXIS Tyres, Revolution Wheels, Mintex** and **REIS** will be continuing their valuable support. We are grateful to all our sponsors and look forward to working with them during the forthcoming year.

The 2018 **Jordan Road Surfacing BTRDA Rally Series** will include a choice of eight popular one-day forest stage rallies and incorporate the prestigious **BTRDA® Gold Star Championship**, the **BTRDA® Silver Star Championship** exclusively for 2-wheel drive cars, plus the **BTRDA 1400 Championship** and the **BTRDA Rally First Championship** which is the ideal opportunity for competitors to participate in UK forest stage rallying at the lowest possible cost. The **BTRDA Historic Cup**, **BTRDA Production Cup** and the **ST Trophy** will also continue and new for 2018 will be the **BTRDA Rallye R2 Cup** for cars complying with FIA R2 homologation.

The increasingly popular **MAXXS MSA English Rally Championship** reverts to an all gravel rally format open to all types of rally car, which we hope will provide competitors with another exciting challenge. It will retain the popular 'class based' format so that the overall MAXXIS MSA English Rally Champions can come from any of the 8 competition classes.

The 2018 **Jordan Road Surfacing BTRDA Rally Series** will mark the 65th year of the **BTRDA Gold Star** and **BTRDA Silver Star** Rally Championships and we hope that both existing and new competitors will join us for what is sure to be another enjoyable and successful year.

Good Luck to everyone.

Neil Cross, Chairman BTRDA Rally Committee

2018 BTRDA RALLY SERIES - GENERAL REGULATIONS

1. BTRDA Ltd. will organise and promote the 2018 Jordan Road Surfacing BTRDA Rally Series which incorporates the BTRDA Gold Star[®] Rally Championship, BTRDA Silver Star[®] Championship, BTRDA 1400 Rally Championship, BTRDA Rally First Championship, the BTRDA Historic Cup, BTRDA Production Cup, Fiesta ST Trophy and the BTRDA Rallye R2 Cup.

The 2018 BTRDA Rally Series hereinafter referred to as 'the Series', will be run in accordance with the General Regulations of the Motor Sports Association (MSA) and these regulations. Permit number 2018 / 018 has issued by the MSA. It is open to competitors holding a minimum of a MSA National B Competition Licence.

2. The Series is open to fully paid-up members of the BTRDA (British Trial & Rally Drivers Association). The registration fee is a total of £120 for both crew members when registering at the same time, or £80 for Drivers and £50 for Co-drivers if registering separately. This registration fee includes full membership of the BTRDA which is an invited club on each event, and registration for the MAXXIS MSA English Rally Championship. Series registration and BTRDA membership are free to new members under 25 for their first year of registration.

Membership can be done on-line at www.btrdamembership.com Acceptance for the Series will be acknowledged by the issue of a registration card which must be produced at documentation on each event. Registration will open on the publication of these regulations and close after event signing-on for round six.

3. The BTRDA Rally Series provides the best selection of one-day National B forest events with the final points tables based on competitors best 6 scores. This applies to all the Championships, Categories and Classes. This scoring system gives competitors some flexibility to fit the events around family or business commitments, or to recover from an expensive car problem. If through 'force majeure' any of the qualifying rounds cannot take place the BTRDA reserves the right to either include another event on the same date or to alter the number of scores to count.
4. The allocation of Series points will be based on the final results of each of the qualifying events. The points will be published on the Series website as soon as possible after each event. Queries should be addressed to any of the Championship On-event team. Subject to no protests being received, these points will become final 7 days later. Similarly, at the end of the year, the Series points will become final 7 days after the provisional points are published on the website.
5. Any ties will be decided in favour of the competitor with the greatest number of maximum scores within their best six scores. In the event of a further tie the greatest number of second highest scores shall decide and so on. Should this fail to resolve the tie then reference will be made to whoever has the fastest time on the first stage of the last event on which the competitors who have tied, took part. If this fails to resolve the tie, then joint awards will be presented.
6. All vehicles must comply with the 2018 MSA Safety and Technical Regulations for Special Stage rallies and where appropriate with FIA Technical Regulations. To be eligible as FIA category N or R, cars must be currently on the list of FIA homologated cars in Group N or Group R, or added to it during the year, or formerly listed and still in compliance with their homologation papers. Cars may only be modified in the manner described in the 2018 FIA Yearbook. Modifications published in the official FIA Motor Sports Bulletin may be incorporated at the date given. Valid FIA homologation papers must be carried in the car and be available for inspection by Series or Event Scrutineers immediately upon request. **Competitors are reminded of the requirements of MSA Tyre List 6.**

7. Permitted Fuels: Competitors are only permitted to use fuel that conforms to the definitions of Pump Fuel in the 2018 MSA Yearbook. Additives are NOT permitted unless specified in the MSA definition of Pump Fuel.
8. Any vehicles used by registered contenders may be subject to random eligibility and capacity checks throughout the year. These checks will be carried out by the Series Scrutineers and/or members of the MSA Technical Commission who shall be considered Judges of Fact in matters of eligibility. In the event of a car being found ineligible for any reason, then the penalties specified in MSA Regulations [C:3.5.3] shall apply. The competitor will be responsible for any costs they incur because of eligibility checking, whether the car is found eligible or otherwise.
The Series organisers reserve the right to reclassify any vehicle if they consider it appropriate to do so.
9. Series registration does not guarantee an entry on events. It is the responsibility of competitors to enter events in sufficient time. BTRDA Ltd will not enter into any correspondence or discussion about event entries or event seeding. However, all the Series events have agreed to favourably consider entries from BTRDA registered competitors.
10. Any query concerning these regulations or the running of the Series or the allocation of points must be referred to the Championship Officials. Any subsequent appeal must be referred in writing to the BTRDA Panel of Stewards via the BTRDA Ltd Secretary within the time limits set out in the MSA Yearbook, together with the appropriate fee (Competition Fees Appendix 1). The BTRDA Panel of Stewards comprises any three from Mike Broad, Simon Harris, Terry Moore, Gemma Price and Mike Sones.
11. In the event of a variance between these Regulations and the BTRDA General Championship Rules, these regulations take precedence. The Series organisers reserve the right to grant waivers to disabled competitors.
12. Competitors must display the Series decals as specified by the BTRDA on every qualifying event. These include a sponsor panel on each side and a screen strip. Not carrying a screen strip will also exclude the competitor from any TV coverage on that event. **Decals must not be modified by altering logo sizes or colours. They can be trimmed where exceptionally necessary to fit the vehicle, but this must be approved by the BTRDA Eligibility Scrutineers or Series on-event team.**

Locations **A** and **B** are **mandatory** requirements.

A - Sponsors Panel on leading edge of door

B - The BTRDA / Sponsors screen strip

Competitors in the ST Trophy will be required to carry additional decals.

Once a competitor has registered for the Series it is not possible to de-register. Even if the Series decals are removed, either member of the crew may still be counted as a BTRDA registered competitor for the allocation points, even though they may not be awarded any individual points. Registered co-drivers accompanying non-registered drivers must notify a member of the Series on-event team at Signing On and display two "BTRDA Competitor" decals (310mm x 110mm) on the car to be eligible to score points.

BTRDA Ltd will organise and promote the **2018 MSA English Rally Championship** sponsored by *MAXXIS Tyres*. The Championship will be run in accordance with the General Regulations of the Motor Sports Association (MSA) and these regulations. It is open to all competitors holding a minimum of a National B Competition Licence. Championship Permit No **2018 / 008** has been issued by the MSA.

**The MAXXIS MSA English Rally Championship** is open to all vehicles that comply with the 2018 MSA Safety and Technical Regulations for Special Stage Rallies.

The *MAXXIS* MSA English Rally Championship includes a selection of the best one-day forest stage rallies in England, plus a mid-season visit to Mid Wales for the Nicky Grist Stages. The final points tables will be based on competitors best 5 scores. This gives competitors some flexibility to fit the events around family or business commitments, or to recover from an expensive car problem. If through 'force majeure' any of the qualifying rounds cannot take place the BTRDA reserves the right to either include another event on the same date or to alter the number of scores to count.

## SCORING

The scoring system will reflect achievement against other registered competitors in the same vehicle class and the level of Championship competition in that class.

The allocation of Championship points will be based on the final results of each of the qualifying events.

The points will be published on the Championship website **www.englishrally.co.uk** as soon as possible after each event. Queries should be addressed to any of the named Championship Officials. Subject to no protests being received, these points will become final 7 days later. Similarly, at the end of the year, the Championship points will become final 7 days after the provisional points are published on the website.

### **Points in each class will be allocated as follows: -**

20 points to the highest placed registered driver/co-driver in each Championship class, 18 points to the second placed registered driver/co-driver in each Championship class, 17 points to the third and so on down to two points for the 18<sup>th</sup> placed driver / co-driver and every subsequent driver / co-driver in the class that finishes the event. One point will be awarded to every non-finisher.

For the **overall MAXXIS MSA English Rally Championship** an additional point will be awarded for each Championship contender beaten in the class, up to a maximum of 5 points.

EG: If Class 7 has 4 registered competitors and Class 2 has 8 registered competitors

The winner of Class 7 would score  $20 + 3 = 23$

The winner of Class 2 would score  $20 + 5 = 25$

Any ties will be decided in favour of the competitor with the greatest number of maximum scores within their best six scores. In the event of a further tie the greatest number of second highest scores shall decide and so on. Should this fail to resolve the tie then reference will be made to whoever has the fastest time on the first stage of the last event on which the competitors who have tied, took part. If this fails to resolve the tie, then joint awards will be presented.

Competitors must display a BTRDA sponsor panel on either side of the car which will include the **MAXXIS MSA English Rally Championship logo**. Once a competitor has registered for the Championship it is not possible to de-register. Even if Championship decals are removed, either member of the crew may still be counted as a registered competitor for the allocation of points, even though they may not be awarded any individual points.
